## DID YOU KNOW THIS WOMAN?

"Carla" (or Karla), so her possible first name, was found **June 3, 1993** in **Santa Clara County**, on westbound **State Route 152** (the **Pacheco Pass highway**) near **Casa de Fruita**.

According to [Keith Hunter Jespersion](#) she was picked up by him at a **truck stop** near **Corning, California** (along **I-5**), strangled at a **rest stop** in **Williams (I-5 too)** and dumped at a **turnout** on **Route 152**.

- Her death occurred during the **end of May, 1993**.
- **Jane Doe** was in her **late thirties** or **early forties** when found and may have abused drugs.
- She'd never given birth.
- Her name (per Jespersion) was Carla (could be spelled "Karla").
- Also according to Jespersion, she claimed to have relatives in the **Sacramento (California)** area.
- She was around **63 inches tall** and weighed **130 pounds**.
- She had a **5 inch scar** on her abdomen, likely the result of a **gall bladder surgical** operation.
- She had **dental work** but her teeth had deteriorated, probably as the result of a long period of inattention.
- Her **clothing** was typical of a transient, homeless person.
- Most probably she was **Caucasian**. She may have looked kind of **Latina**.
